

YORK place WESTBOUND CLOSURE

York Place westbound will close from 10pm on 15 November to 1 December as part of the Picardy Place renewal project.

We apologise for any inconvenience this will cause. It allows us to complete work on this part of the carriageway before the busy festive period.

The eastbound carriageway will remain open. Pedestrians will have access throughout. Cyclists should dismount on Leith Street to access York Place. Diversions will be in place for westbound traffic. Westbound buses will be diverted via Leith Street.

**TOGETHER FOR
EDINBURGH**
